Re: Real Estate Purchase Agreement Between Chelmsford Properties, LLC (“Seller”) and Randal D. Bellestri, on behalf of an entity to be formed (“Purchaser”) Dated June 7, 2024 (“Purchase Agreement”) for the Property Located at 37900 Mound Road, Sterling Heights, Michigan (“Property”)

Dear Mr. Reid:

In accordance with Section 6.2 of the Purchase Agreement, please construe this letter as Purchaser’s notice to extend the original Inspection Period, which expires July 8, 2024, by 30 days to August 7, 2024, for the performance of a Phase II ESA for the Property. A copy of the Phase I ESA is attached. In the interest of time, Purchaser authorized the Phase II ESA in June, as soon as its environmental consultant notified Purchaser that the Phase I ESA would include recognized environmental conditions necessitating a Phase II ESA.

Upon its receipt of the Phase II ESA results, Purchaser anticipates contacting you to schedule a closing date for this transaction.

Please feel free to contact the undersigned with any questions regarding this matter.

Very truly yours,

WILLIAMS, WILLIAMS, RATTNER & PLUNKETT, P.C.
